

Japan Jewellery Fair 2021

Closing with a Great Success

Fair-Event Report

Thank you for your continuous support to Japan Jewellery Fair.

After two postponements, the Japan Jewellery Fair 2021 was finally held in Kofu, the biggest jewellery producing city in Japan.

The fair was successfully completed on November 26th with the participation of visitors who greatly exceeded the target. We would like to express our sincere gratitude to Yamanashi Prefecture, Kofu City, and everyone in the industry for their cooperation in holding the event. As the organizer, we are glad that we were able to provide industry professionals with an opportunity to gather together in the production area and talk about business with smiles for the first time in a long time. The Japan Jewellery Fair will continue to push forward as a "B2B event for the industry by the industry".
